Re: EPA ID # OK0001010917  
SITE ID: 0604942  
SSIG: 06GG  
Former Lorraine/Wilcox Refineries  
Bristow, OK

To Whom It May Concern:

This letter constitutes my Supplemental Freedom of Information Request for the following information, which succeeds previous FOIA submission dated March 30, 2016, Bates No. R06-9641536:

All information of any kind pertaining to any investigations by the EPA in regard to any areas of potential contamination related to the former oil refining operations performed on the EPA site denominated above.

All information of any kind pertaining to any investigations by the EPA in regard to damages sustained to natural resources, lands, waters or air related to the contamination, to and including identification of any potentially responsible parties.

It has come to our attention EPA has produced other data or documents after this date and Bates series which we have not received.

Please forward the information to my attention at the address above. If you should have any questions, please do not hesitate to call.

Very truly yours,
